Sharia Supervisory Board

As a company that conducts part of its business based on sharia principles, currently the company has formed and has a Sharia Supervisory Board (DPS). The DPS, which is part of the Company's organs, has the duties and functions of supervising the implementation of the activities of the Company's sharia business units so that they comply with sharia principles.

The appointment of the Company's DPS has received a recommendation from the National Sharia Council (DSN) based on the DSN recommendation letter number U-343/DSN-MUI/VIII/2020 dated 15 July 2020. The Company's DPS has met the requirements and qualifications set by the Financial Services Authority (OJK) and the applicable laws and regulations before being appointed or held a position as a member of the Sharia Supervisory Board, including having met the requirements for passing the fit & proper test held by OJK.
