Implementation of Good Corporate Governance Policies and Regulations

Good Corporate Governance Policy

In order to optimize the implementation of Good Corporate Governance in the Company and as an implementation of applicable laws and regulations, especially POJK 73/2016, the Company has issued a guideline for Good Corporate Governance (“GCG Policy”) which must be implemented in every business activity of the company at all levels and organizational levels within the Company. This GCG Policy is structured to contain provisions which are minimum standards for the Company, company organs, employees, and Company stakeholders in the implementation of Good Corporate Governance in the Company. This GCG Policy regulates the principles of Good Governance that must be implemented by the Company in every business activity at all levels or levels of the organization. These principles include transparency, accountability, responsibility, independence, equality and fairness.
